AT A GLANCE

Ideal Goal: football, from the community to the elite, for education and independence

The association helps young people from the slums of Bangkok go to school through football, and opens a path for girls to the highest level. Since 2015, it has run three programmes.

Eleven years, three programmes

Key points

2015 to 2018 · Acadena Bangkok
A sport-and-study programme for boys from Klong Toey, then a boarding house in Chonburi. In 2017-2018, a new academy developed with LaLiga and AP Thai, a project that was stopped in 2018.

2018 to 2021
The association runs no programme.

Late 2021 to 2024 · Team for Life
The journey of Janista Jinantuya, from Bangkok to the French first division.

2024 to 2025 · Acadena Girls
Football opened to girls in Klong Toey, then international scoping for a women's football sport-and-study project.

SEPTEMBER 2015 TO JUNE 2018 · KLONG TOEY, BANGKOK · NONG PRU, CHONBURI

Acadena Bangkok

Acadena trains and educates young people, and prepares them for school entrance tests.

What was done

September 2015
The programme opens as a day programme in Klong Toey, the largest slum in Bangkok: daily training, school tutoring, meals, a link with each family.

2016
Opening of the Acadena House in Nong Pru, Chonburi. 8 boarders, a house assistant, a director. Schooling in partner schools.

2017
Sports entrance tests for schools. End of the programme with the first generation; the young people who entered school are still followed.

2017 to 2018 · with LaLiga
Development of a new Acadena academy with LaLiga and AP Thai. Project stopped in 2018.

Method

Accounts prepared by the association. They are neither audited nor certified. This report is a reconstruction closed on 5 November 2026, from bank statements, tracking spreadsheets and the balance sheets drawn up each year.

2015 to 2017. Balance sheet drawn up in June 2016, monthly spreadsheets and statements from La Banque Postale.

2017-2018. No bank statement. Income: €20,000 from a corporate foundation. Expenses deduced from cash, split by item estimated.

2018 to 2021. The association runs no programme. No accounts are available for this period.

2022 to 2024. Monthly spreadsheets, annual balance sheets and Crédit Mutuel statements.

2024 to 2026. Statements of the association's account and of the account used on site by the president.

Cash. On the ground and during scoping, part of the day-to-day expenses was paid in cash: €9,000 withdrawn from 2024 to 2026, of which €6,942 with no document kept and €2,058 placed in their own item.

Housing / office. The programme director is the president of the association, who is a volunteer. The association pays for the team's housing on site, which also serves as an office.

Team for Life, the company. A player representation company, separate from the programme of the same name, run by the president of the association, a service provider to Ideal Goal in 2023.

Loans and advances. Loans from individuals of €5,518 in 2016-2017, repaid in 2017-2018. Since 2024, the president advances part of the costs.
